EXPERIENCE

Projects overview at: https://mfskamvantope.netlify.app/projects

Research Intern at Kwathu Innovation and Creative Centre (KICC) – 01/2023 to 03/2023:

- Researched and profiled prospective Grant opportunities for the company

- Audited and Suggested SEO and Accessibility optimizations for the company's ventures (websites)

- Audited and Created Sample Optimization and Content plans for the company's youtube channels

Front-end Developer at PonyaSchool – 12/2022 to 01/2023:

- Tasked with Building a Landing website for their upcoming online coding boot-camp.

- Handled UI and UX design, Copy-writing and Content creation.

- Handled Client communication and requirements gathering.

Instructor at NxTGEN LABS (intern) – 02/2022 to 04/2022:

- Responsible for creating a coding curriculum for kids aged 5 to 18 years old.

- Responsible for teaching basic coding and video game development.

Software Engineer at NxTGEN Labs – 04/2022 to 12/2022:

- Utilized crucial design software skills to assist with projects e.g. Figma

- Effectively developed software based on specific design specifications.

- Introduced and implemented a different type of innovative software

- Brought forth a passion and dedication to software development.

WHO AM I?

I'm Mwayi Fortune Solomon Kamvantope, a Software Engineer by trade and Game Developer by passion. Currently pursuing a Bachelor's degree in Computer Science at DMI St-John The Baptist University in Lilongwe, Malawi, I'm passionate about leveraging technology to enhance the quality of life for all. I approach every task with this mindset while also acknowledging that technology is not always the solution to social problems.

As an experienced Software Developer, I excel at designing, installing, testing, and maintaining software systems. With a diverse skill set, I'm proficient in various platforms, languages, and embedded systems. I keep up with the latest development tools and procedures and can work independently or as part of a team.

EDUCATION

Secondary Education:

- Malawi School Certificate of Education (MSCE): Cherub Private Secondary School

- Junior Certificate of Education (JCE): Cherub Private Secondary School

Tertiary Education:

- Bachelor of Science in Computer Science - DMI St-JOHN the BAPTIST UNIVERSITY, LILONGWE, MALAWI – 08/2020 to 11/2024 (not taken yet)
